Customer Proprietary Network Information (CPNI)

To ensure compliance with the Federal Communications Commission (FCC), Schaller Telephone Company will not release call detail information without execution of security measures. Schaller Telephone Company is able to discuss account information with only person(s) listed on the account; therefore, Schaller Telephone Company will provide requested call detail information under the following three circumstances:

1. Customer requesting the data approves a pre-established password to release the proprietary information, which we are asking that your password be the last 4 digits of your social security number.
2. Schaller Telephone Company may, at the customer's request, send the requested call detail information to the customer's postal "address of record."
3. Schaller Telephone Company may initiate a call to the customer's "telephone number of record."

Phone price includes governmental & regulatory fees

**Pricing is listed as monthly charges. The installation fee for services is a one-time fee of $75.00. Prices listed on this application form do not include taxes, regulatory fees, or other installation fees.*

900 Blocking Services

Information Service Access Blocking is automatically applied to all customers. This feature blocks all outgoing 900 or 976 prefix numbers; therefore, blocking prevents connections to all 1-900 or 0 + 900 dialing. These type of numbers are typically entertainment sources on a pay-per-call basis. The initial blocking is provided at no charge. If you would like to submit a request to unblock 900 numbers, please contact our office.

Wire Maintenance Agreement

The Wire Maintenance Plan protects you from expenses relating to the inside telephone wiring in your home. If you subscribe to this service, Schaller Telephone Company will repair or replace any inside wiring that creates a service problem. $1.50 per month. *Restrictions apply*
